MISSION STATEMENT

National Society of Black Engineers

Gator Chapter

“to increase the number of culturally responsible black engineers who excel academically, succeed professionally and positively impact the community.”

02

ABOUT NSBE

National Society of Black Engineers

Gator Chapter

- NSBE was founded in 1975 at Purdue University by “The Chicago Six”: John Logan, Edward Coleman, George Smith, Stanley Kurtley, Brian Harris, and Anthony Harris.
- NSBE supports and promotes collegiate and pre-collegiate students and technical professionals in engineering and technology
- NSBE Logo:
 - The NSBE Torch symbolizes our everlasting burning desire to achieve success as engineers in our present society.
 - The lightning bolts represent the striking impact that will be felt upon society and industry as a result of the contributions and achievements made by the National Society of Black Engineers.

03

ICEBREAKER

National Society of Black Engineers
Gator Chapter

The image features a dark blue background with two decorative elements: a colorful wavy shape in the bottom-left corner and a circular wavy shape in the top-right corner. Both shapes consist of concentric, overlapping bands of green, yellow, and red. The text is centered in the middle of the page.
