The image features a decorative border with various elements: roses, hearts, leaves, and a key. The roses are in shades of red and pink, with some appearing as cutouts with white borders. The hearts are also in shades of red, some with white borders. The leaves are dark red. A key is visible on the left side, with wavy lines below it. The background is light pink with small stars and dots.

Mission Statement

Mission Statement

The mission of the National Society of Black Engineers is to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community.

Kudos

02

Icebreaker

Human Bingo

(Black History Edition)

Step 1: Take a bingo sheet

Step 2: Look for people that meet the requirements (You cannot write your own name)

Step 3: First person to fill out their sheet gets a prize (hopefully)

03

History

International NSBE History

1991

- NSBE chartered its first international chapter at McGill University in Canada.
- First European Chapter was established at Cambridge University in London, England.
- NSBE held its inaugural International Summit at the National Headquarters in Alexandria, Virginia.

International NSBE History

1992

- NSBE expanded into the Caribbean by starting a chapter at the University of the West Indies in Trinidad.

1999

- NSBE hosted its first international conference in Ghana, West Africa.

International NSBE History

2010

- NSBE held its first Annual National Convention outside the United States in Toronto, Canada.

Present Day

- NSBE has over 600 chapters across the globe.
- The current International Committee Chairperson is Nina Kanonye.

Activity

A Valentine's Tale – Game Show Edition

Spin the wheel to receive a STEM-themed love challenge.

Write a short creative piece (poem, short story, love letter, rap, or even a skit).

Split into 4 groups.

**Be dramatic, funny, or heartfelt!
Props and accents encouraged!**

Never said it had to have a happy ending....

YOU ALL HAVE 10 MINUTES.

Example: Chemistry in the Lab (Poem)

In a lab where beakers and flasks abound,
Two engineers' hearts began to resound.
With pipettes and vials, they measured precise,
Their love, a reaction, started to entice

Chemical bonds formed with each glance
In the dance of molecules, they found romance.....

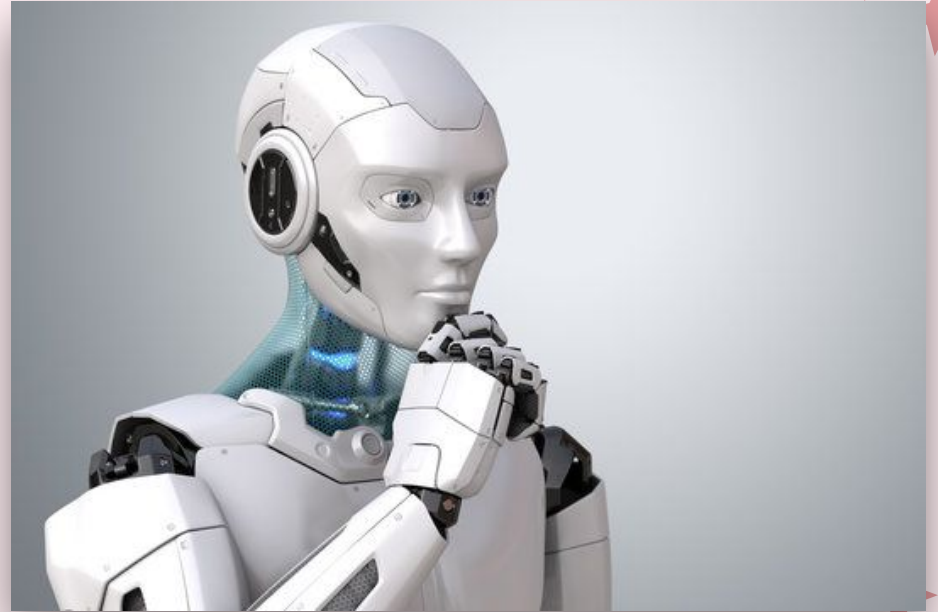

First Prompt

"Lost in the Codes" – A hacker confesses their love to an AI assistant.

Second Prompt

**"Short
Circuited" – Two
robots try to
figure out what
love is.**

Third Prompt

"Mechanics of the Heart" – A scientist attempts to mathematically prove love exists.

Fourth Prompt

"Radioactive Romance" – Two nuclear engineers fall in love while working in a lab.

Innovative Hearts: A Valentine' Tale

Spin the Wheel Challenges

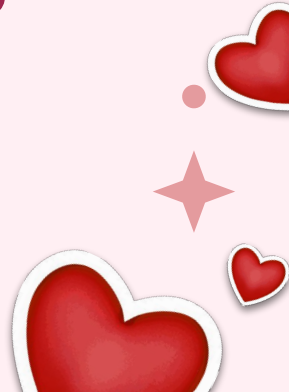

1. **"Lost in the Codes"** – A hacker confesses their love to an AI assistant.
2. **"Short Circuited"** – Two robots try to figure out what love is.
3. **"Mechanics of the Heart"** – A scientist attempts to mathematically prove love exists.
4. **"Radioactive Romance"** – Two nuclear engineers fall in love while working in a lab.

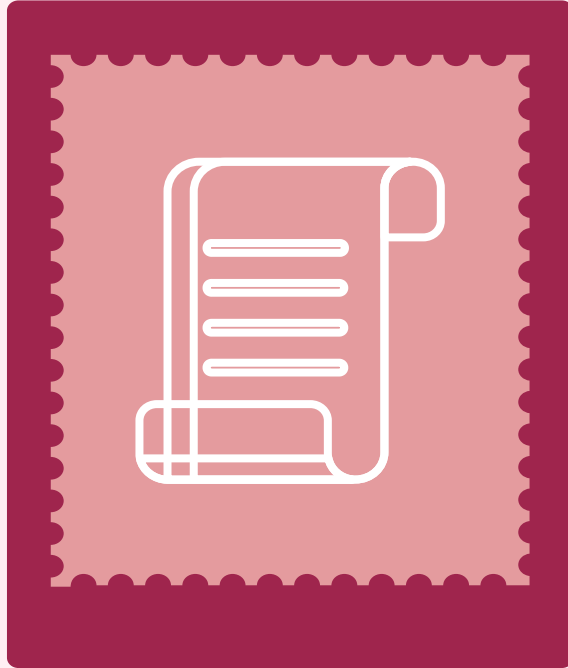

**YOU ALL HAVE 10
MINUTES.**

Internship Prep Program

Overview:

- A 12-week summer program for computer science students to prepare for internships.

Requirements:

- Preferred: Completion of Data Structures & Algorithms.

What You'll Do:

- Build a full-stack project.
- Practice LeetCode for technical interviews.
- Enhance resumes, LinkedIn, and networking skills.
- Participate in mock interviews.

COME LEARN MORE ABOUT VANDERBILT UNIVERSITY ENGINEERING GRADUATE PROGRAMS

INFORMATION SESSION

Vanderbilt University is ranked 18 among the top universities nationally. Come learn more about our Master's of Engineering, Master's of Science and PhD programs in our School of Engineering. Choose from either a professional degree to enhance your professional development and grow your career in the engineering industry or a research focused program. We have scholarship opportunities available for these programs. Join our Engineering Graduate Recruiter, Ms. Santavaya Jordan, MBA-HR for an information session to learn more about these opportunities.

Date: February 19, 2025

Time: 6:50 p.m. to 7:20 p.m. (EST)

Location: New Physics Building, Room 1002

Please RSVP by clicking [here](#) or scan QR code:

<https://apply.vanderbilt.edu/register/ufl2025>

Food and beverage provided

Email: gradengineering@vanderbilt.edu

Please go to the link or scan the QR code to RSVP for this event if interested. AICHE Members will be present as well.

Internship Panel

Meeting involves:

- 5 Presenters
 - They will talk about how to land an internship (Networking→ Application→ Interview→ Acceptance Letter)
- LinkedIn Advice
- Networking Activity
- Important Information regarding Nationals
 - #NSBE2025 (1975-2025)
 - 50th Anniversary!

Date: February 25th

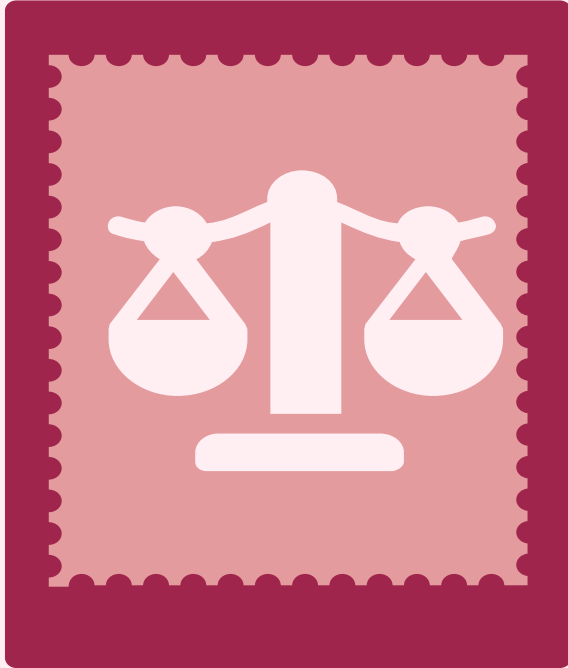

Time: 6-8pm

Location: McCarty Hall
(Room Number is TBD)

Food: Yes, Pizza

Warning: This will be an information-dense meeting!
All Attendees going to the NSBE Convention will greatly benefit from this meeting!

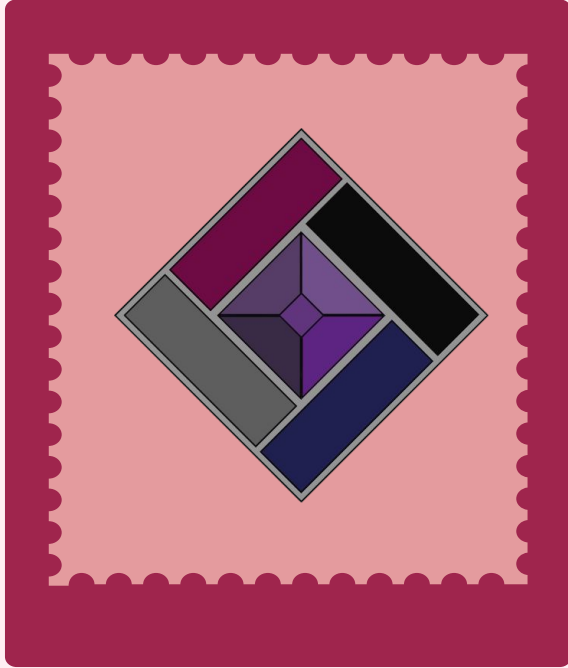

Senate Zone

NSBE Cook-Off!

- Date: 2/27/25
- Requirements changed to any form of cooking (not just crockpots).
- Fill out interest form
