UF NSBE App... in development!

- Live Events Calendar – synced with chapter activities & push notifications
- Member Directory – browse peers by year, major, and interests
- Resume Sharing – upload & view resumes for networking and recruiting
- Integrated Socials – quick links to LinkedIn, Instagram, and more
- Light & Dark Mode – modern, accessible design for all users

Software Team

Mission:

A team of dedicated students who design, build, and maintain the software that powers our chapter.

What we do:

- **Event Attendance Automation - streamline check-ins & data tracking**
- **App Development & Maintenance - keep our UF NSBE app running and improving**
- **Innovation Projects - explore AI, chatbots, and data tools that support NSBE's mission**
- **Digital Experience - make it easier for members to access events, resources, and each other**

Why join:

- **Real-World Experience - hands-on coding, design, and deployment (great for your resume)**
- **Collaboration - work in a structured software team, like in industry**
- **Impact - build tools that hundreds of NSBE members will actually use**
- **Leadership Opportunities - grow into project leads, product managers, or technical mentors**

Who can join:

- **All majors welcome — coders, designers, data folks, and problem-solvers**
