Interaction of Ionizing Radiation with Matter University Research Alliance

Student Drone Challenge!

FREE

VIRTUAL

NO PREPARATION REQUIRED

OPEN TO ALL SKILL LEVELS

Time Requirement: 45 Minutes

October 2nd - 8th 2025

SCENARIO: Friendly forces just captured an urban complex that was known to have created or housed nuclear weapons. It is believed that radioactive material is stored in barrels throughout the complex. You need to lead a team conducting initial drone reconnaissance crucial to identifying any potential radiological threats.

HOW TO PARTICIPATE:

- 1) Register using the online form linked below.
- 2) Links to online server will be emailed to each participant on October 2nd.
- 3) Log onto the online server anytime during the challenge window and complete the 45 min challenge. Attempt the challenge as many times as you'd like!
- 4) Prizes: * 1st Prize \$300, 2nd Prize: \$200, 3rd Prize: \$100
* Every participant receives a free T-Shirt!

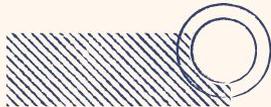

Register using the link or QR Code:

REGISTRATION

FORM CLOSSES SEP 19, 2025

Committee Interest Form

Kick Start your Leadership Skills

Committees Available:

- Membership
- Programs
- Finance
- CommunicationS

International Chair

Invisible Walls

Global Local United

September 18th

6:00-7:30 PM

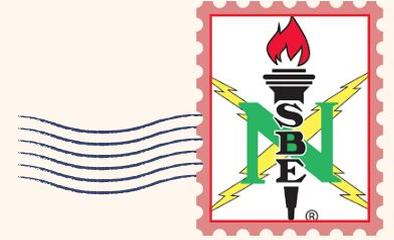

CSE E221

Senate Zone

What We Do

- Represent our chapter in NSBE Senate (vote on policies & bylaws)
- Share national & regional updates with the chapter
- Ensure chapter runs by NSBE rules & constitution
- Advocate for chapter needs at higher levels

National Membership (\$15/year)

National Network

- Minimum requirement to attend regional and national conferences
 - Direct recruiter connections at conventions

Career & Professional Opportunities

- Scholarships (over 80k won in scholarships as a chapter last year), [internships](#), and mentorship programs

Academic & Leadership Resources

- Workshops, technical competitions, and skill-building programs at the regional and national level (i.e. Academic Technical Bowl and Technical Research Exhibition (TRE))

Programs Zone

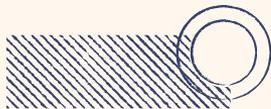

APEX Registration

App Idea Form

- Submit any ideas you have for the app!
- If it sounds good for the team we'll add it

Finance Zone

GCC/ Gators Connecting with Industry

SASE X NSBE **GATORS AND INDUSTRY** TALK TO AND NETWORK WITH COMPANIES

9/30/2025

6-8 PM

Reitz G330

GCC/ Gators Connecting with Industry

- NSBE and SASE centered Career Fair.
- **Tuesday, September 30th at 6 pm (After the career showcase).**
- Much fewer attendees than at the UF career fair, so there's a much better chance of connecting with recruiters and companies.
- Location Change to **USTLER HALL!**
- Open to all years and majors.
- No signup required.
- Formal Attire advised(Like any career fair)
- Companies this year include **Exxon Mobil, UKG, P&G, G.E Vernova and More.**
- **Highly Recommended!!**
- Any Question? Message Bolu on Discord: @babe058727

Fall Regional Conference 2025

- If you're interested in attending FRC with the chapter, please fill out the form in the QR code to confirm your registration
- **October 24-26**
- Bus transportation available
 - Contingently leaves October 23 at 2 pm from Garage 5 on Gale Lemerand, leaves Jacksonville on October 26 at 8:30 am.
- You'd owe the chapter a fee, but we may be eligible to reimburse you
- Great chance for networking and learning more about industry
- Please register with us by **September 30** using the QR code

Trailblazers Zone
