MISSION

“

The National Society of Black Engineers' mission is to increase the number of culturally responsible Black engineers who excel academically, succeed professionally, and positively impact the community.

Ice Breaker

FRC Chant Competition

- Split into small groups (3–6 people)
- You'll have **5 minutes** to come up with your own **FRC chant!**
- Make it creative, loud, and full of NSBE energy 🔥
- After time's up, each group performs their chant
- Judges (E-Board) will pick a **winner** 🎉

Optional Footer Note:

💡 Tip: Bonus points for including “FRC,” “NSBE Gators,” or “Engineering Excellence” in your chant!

Conference**
Register now

What is FRC?

- Annual 3-day regional event for NSBE Region III
- Combines professional development + community
- Smaller version of the National Convention
- Hosted this year in Jacksonville, FL (Oct 24-26)

The FRC Experience

- **Career Fair** - Top companies recruiting NSBE talent
- **Workshops** - Leadership, technical, and personal growth
- **Competitions** - Elevator Pitch, Technical Research, Hackathons
- **Networking & Socials** - Meet students from across Region III
- **Chapter Development** - Officer training & cross-chapter collabs

The Career Fair

- **Must wear Business Professional attire**
- **Bring multiple copies of your resume**
- **Talk confidently with recruiters**
- **Be ready for on-the-spot interviews**

What to Expect at FRC

- Early mornings, late nights
- Lots of walking & talking
- Energy everywhere — people networking nonstop
- Expect to leave tired but inspired

Making the Most of It

- Attend workshops with purpose
- Network genuinely, not just for jobs
- Use this as practice for Nationals
- Volunteer or participate in competitions
- Bond with your chapter
- Explore Jacksonville together
- Keep an open mind — every experience counts

The Fun Side

- Exploring new cities
- Chapter dinners & hangouts
- Social events and mixers
- Late-night bonding moments
- Meeting people from all over Region III
- (You might even meet your NSBAE 😊)

Questions?

Activity 1: Elevator Pitch Practice

Pair up or form groups of 3

You have **2 minutes** to craft your **30-second pitch**:

1. Who you are (Name, Major, Year)
2. What you're passionate about / interested in
3. What you're looking for (internship, mentorship, etc.)

Each person gives their pitch to the group

Partners give **1 piece of positive feedback** and **1 suggestion**

Activity 2: Hot Seat — Technical & Behavioral Interview

Volunteers come to the **Hot Seat**

Each gets **1 technical** and **1 behavioral** interview question

Answer on the spot! (Everyone else takes notes on what went well 🙄)

Good Morning!

Thank you for your interest in NSBE's **Membership Program**! We're so excited to have you join our community of engineers, innovators, and changemakers.

Here are your **next steps** to get started:

1. **Personality Slide:**

Fill out your **personality slide** here → [NSBE Mentorship week Slides - Google Slides](#)

Include your **name, major, hobbies, favorite quote, and at least one picture**—this helps us introduce everyone and make the mentorship experience more personal and fun!

2. **Preference Form (Coming Soon):**

Once the slides are complete, we'll send a quick **preference form** to help us match mentors and mentees based on shared interests, career goals, and experiences.

3. **Mentorship Week (Oct 28 – Nov 1):**

Get ready to kick things off with our **Mentorship Week**, filled with themed events and opportunities to connect with your peers. More details will be shared soon on our social media and Discord!

If you have any questions, feel free to reply to this email or message me in the NSBE Discord. We can't wait to see you during Mentorship Week and throughout the semester!

Banquet Planning Committee!

If you filled out an interest form for the Membership Zone Committee please check your emails for important information regarding our group chat!

What we need:

- 1.) First and Last Name
- 2.) Discord Username!
