Mission Statement

“The National Society of Black Engineers' mission is to increase the number of culturally responsible Black engineers who excel academically, succeed professionally, and positively impact the community.”

Icebreaker

*What's your best
pickup line?*

ENGINEERING STUDENTS!

HAVE YOU HEARD OF IPPD?

- Multidisciplinary senior capstone design course
- Open to all engineering majors
- Work with an industry or community sponsor
- Create real-world technology

ATTEND AN INFO SESSION!

- 1** Wednesday, March 4
MALA 7200 | 5 PM
- 2** Tuesday, March 10
TBD | 5 PM
- 3** Thursday, March 26
FLG 0245 | 5 PM

The image features a light pink background with a decorative border of small pink hearts. Scattered throughout the page are several larger, glossy pink hearts of various sizes. In the center, the text 'Activity 1' is written in a large, dark red, cursive font. Below it, 'STEM Self-Love' and 'Bingo' are written in a smaller, dark red, sans-serif font.

Activity 1
**STEM Self-Love
Bingo**

Instructions

- Walk around and find someone who has already taken the class listed in a square.
- When you find them, ask the to initial that square (one person = one square)
- Keep going until you complete BINGO!

♥ STEM Self-Love Bingo ♥

Find someone who already took the class and have them initial the box!

Find someone who already took Intro to Programming i am steady	Find someone who already took Calculus I I am growing	Find someone who already took Data Structures I am enough
Find someone who already took Circuits I I	Find someone who already took Signals & Systems am	Find someone who already took Digital Logic proud
Find someone who already took Circuits I of my	FREE  growth	Find someone who already took I am learning and
Find someone who already took Differential Equations I	Find someone who already took Statics belong	Find someone who already took Thermodynamics here
Find someone who already took Chemistry I I	Find someone who already took Statics trust	Find someone who already took Reactor Physics my
Find someone who already took Chemistry I process	Find someone who already took Control Systems today	Find someone who already took I am worthy always

Government and Public Services (GPS) Consultative Offerings Recruiting

What is GPS Consultative Offerings?

Deloitte's Government & Public Services (GPS) Consultative Offerings Practice consists of over **15,000 professionals** serving mission-driven clients across the **Federal Government, State and Local Governments, and Higher Education.**

Who Are Our Clients?

Deloitte's GPS Consultative Offerings Practice serves clients across multiple sectors including **Central Government; Defense, Security, and Justice; Health and Human Services; and Infrastructure, Transportation, and Regional Government.**

What Is Our Mission?

GPS Consultants **help clients think about the complex issues** facing the public sector and **develop relevant and timely solutions for our clients** by helping them define strategy, adopt technology, and undergo organizational changes.

Why Deloitte?

Deloitte is the **#1 consulting service provider worldwide** by revenue for the **8th consecutive year** according to Gartner. Deloitte is recognized by TIME as one of **America's Best Companies for Future Leaders 2026.**

Upcoming Events:

WORKSHOP SERIES

The World Is Yours: Engineering Your Future

Erron Williams
Process Engineer @ OxyChem

Kennedy Clark
Wells Engineer @ Shell

Brock Lewis
Facilities Engineer @ Oxy

Joseph Emesih
Operations Supervisor @ Chevron

Wednesday, February 18, 2026 @ 7 PM CST

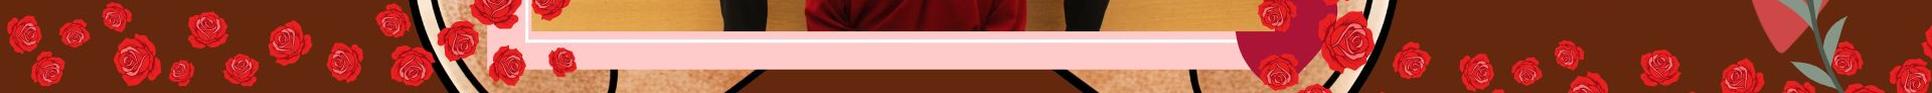

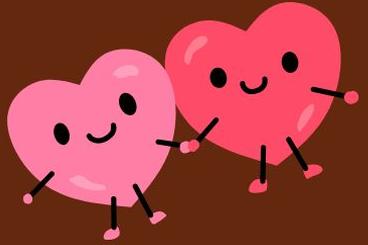

RSVP TODAY!

Join this workshop series to explore diverse career paths in Petroleum Engineering and build your personalized game plan for skill-building and professional growth. RSVP today to take your career journey to the next level!
